**Items Discussed**

- **NEWSLETTER INPUT is due 15Oct2016** – Mark Lindon coordinating & working with editor. Mark will contact Lee Lawson for a Legislative Report to be included in the Newsletter.
- **Web Site and Facebook** – John Toth handling for now.
- **Member Communicatons – May** want to consider using Mail Chimp, a new reportedly better application, instead of Yahoo Groups.
- **Surviving Spouse** – Information from national is that a new membership should be submitted for the spouse, a new membership #, and a new recruit counted.
- **Dues Past Due** -- The Secretary will call the 2 auxillary and 6 regular members who are past due on 2016 chapter dues – (DONE 06Oct16 calls & email reminder where possible.)
- **Gold Bars for ROTC Graduates** – Starting in 2017, MOAA will no longer provide; now up to individual chapters if Gold Bars desired
- **Western Regional Symposium in Las Vegas** – Jim will report on this meeting on a future date – Jim, Mark Lindon and Dick attended. Presentation charts used at the conference are available at <http://www.moaa.org/>
- **50:50 Raffle** – Gary would like to see the same individual(s) run the raffle so that we have consistency. Veronica will ask for several volunteers at the next meeting. If we can get 3-4 names, then we can be fairly certain one of those individuals will be present at the meeting
- **AABC is schedule to host CCoC inOCT/NOV2017.** Important to settle on a date soon which does not conflict with a CU Football Game due to traffic potential in Boulder.
- **Gift to Speakers** – Mark Menich has been giving pens to speakers – we may want to also consider certificates of appreciation.
- **Veterans CU Game** – unclear which game will provide a discount to Veterans this season. Veronica will research and report next meeting. Possibly 19Nov2016 CU vs Washing State.
- **Cemetery Coordinator Needed** (flags for graves on Memorial Day).
- **Calendar** to be updated by the Secretary as discussed at this meeting.
